Staff News

We send our love and congratulations to Amy and her family on the safe arrival of baby Olivia.

We have said a sad farewell to Morgan who has been a valued reliever and office assistant. Morgan made the hard decision to relocate Hugo to a centre closer to home and Hugo's future school.

House Keeping

Please honor your agreed booking

This is so important as it enables our centre to remain compliant with our staff:student ratios.

Early Arrivals

Please be mindful of arriving earlier than your confirmed start time. Although staff are onsite prior to start times of 8am and 9am, staff have very important tasks that must be performed prior to children arriving for these sessions.

Please be considerate of our Mat times

If you are arriving during our special mat times, please be considerate of the learning that is taking place. We ask that you keep conversations low and if possible, move these conversations into reception to ensure that our mat times are not interrupted.
